

INTEGRITAS: TERMS OF SERVICE AND PRIVACY POLICY

Effective Date: [20th April 2026] **Operated By:** Center for Fiscal Transparency and Public Integrity (CeFTPI)

Welcome to INTEGRITAS. By accessing our digital learning platform, enrolling in the Foundational Track, or utilizing our services, you agree to be bound by the following Terms of Service and Privacy Policy. If you do not agree to these terms, you may not access the platform.

PART 1: TERMS OF SERVICE

1. The INTEGRITAS Platform

INTEGRITAS is a premium digital learning platform and Trust Utility designed to provide professional certification in public ethics and transparency. The platform includes the 15-module Foundational Track, the INT 115 Capstone Gateway Project, and the Experta Class Library.

2. User Accounts and Corporate Licensing

- **Individual Users:** You must provide accurate, current, and complete information during registration. You are strictly responsible for maintaining the confidentiality of your account credentials.
- **Corporate Licenses:** Organizations participating in bulk enrollment manage the onboarding of their respective cohorts. If your access is provided by your employer, you acknowledge that your employer may have access to your progression, completion status, and assessment results.

3. The Integrity Code of Conduct

As a platform dedicated to moral courage and transparency, any breach of integrity within the platform itself is grounds for immediate termination. You agree **NOT** to:

- Engage in plagiarism, cheating, or the use of unauthorized AI to complete assessments or the INT 115 Capstone Project.
- Share, sell, or distribute your account access or platform materials (including Experta Class videos) to unauthorized third parties.
- Submit false information or manipulate data within the platform.

4. Certification and Revocation

Upon successful completion of the Foundational Track and Capstone Project, CeFTPI grants the title of **Integrity Associate**.

- This certification is a privilege, not a right.

- CeFTPI reserves the right to revoke your certification and remove you from the platform if you are found to be in violation of these Terms, or if subsequent public or professional conduct fundamentally violates the ethical standards of an Integritas Associate.

5. Intellectual Property

All content, including video lectures, Experta Class interviews, syllabi, interactive modules, and proprietary frameworks (such as the TII and NLGII applications) are the exclusive property of CeFTPI. You are granted a limited, non-exclusive, non-transferable license to access this content strictly for personal or internal organizational learning.

PART 2: PRIVACY & DATA USE POLICY

As an organization championing transparency, we are deeply committed to protecting your data. This section outlines how we collect, use, and secure your information.

1. Information We Collect

- **Account Data:** Name, email address, phone number, profession, and organizational affiliation.
- **Usage Data:** Module progression, quiz scores, time spent on the platform, and login frequency.
- **Capstone Data (Highly Sensitive):** Information submitted during the INT 115 Capstone Project (The Integritas Action Plan), which may include descriptions of institutional leakages and proposed transparency solutions.

2. How We Use Your Data

- **To Provide the Service:** To track your progress, grade assessments, issue certificates, and unlock the Experta Class Library.
- **For Platform Improvement:** To analyze completion rates and improve curriculum design.
- **Systemic Research (Anonymized):** CeFTPI may aggregate and completely anonymize data from Capstone Projects to publish general research on prevailing corruption trends and structural leakages in Nigeria. **No individual or specific organizational names will ever be published without explicit, separate written consent.**

3. Data Sharing and Disclosure

We do not sell, rent, or trade your personal data. We only share data under the following conditions:

- **Corporate Sponsors/Employers:** If your enrollment is paid for by your employer or a sponsoring organization, we will share your course progression, completion status, and final grading with designated HR or Management personnel. *(Note: Sponsoring organizations will NOT be given access to the specific, sensitive details of your Capstone Project unless you explicitly choose to submit it to them).*
- **Legal Compliance:** We may disclose your information if required to do so by Nigerian law, or in response to a valid court order.

4. Security of Capstone Submissions (The Whistleblower Protocol)

We recognize that the INT 115 Capstone Project requires users to identify real-world ethical leakages.

- All Capstone submissions are encrypted and stored on secure servers.
- They are accessible only to vetted CeFTPI assessors for the purpose of grading.
- While we protect this data rigorously, users are advised to use discretion and not to submit classified national security documents or data that violates their existing employment non-disclosure agreements (NDAs) unless protected by applicable whistleblower laws.

5. Your Data Rights (NDPR Compliance)

Under the Nigeria Data Protection Regulation (NDPR), you have the right to:

- Request access to the personal data we hold about you.
- Request the correction of inaccurate data.
- Request the deletion of your account and personal data (Note: Deletion will result in the revocation of your digital certification records).
- Withdraw consent for data processing at any time, subject to legal and contractual restrictions.

6. Updates to these Terms

CeFTPI reserves the right to update these Terms and Privacy Policy at any time. We will notify all active users of significant changes via email or a prominent notice on the platform.
